SOME WORDS OF WISDOM:

“God gave you a gift of 86 400 seconds today. Have you used one to say ‘thank you?’” – **William Arthur Ward**

Dear Parents

We have come to the end of the first term and I would like to wish all our pupils a safe and restful school holiday. To any of our families who will be travelling on holiday please travel safely. This has been a very busy term and I would like to thank all our parents for your ongoing support. Next term is an extremely busy term as we will be very involved in football and netball leagues and tournaments. I would like to encourage parents to come and support our teams when possible. Fixture lists for the aforementioned leagues will be sent out early in term 2 and can also be viewed on our school website. Pupils who are selected to play in school teams must please purchase the correct kit for that sport; these can be purchased at Rynfield Drapers.

Parent’s evenings to discuss 1st Term results will be held on Wednesday 13th April for the Pre and Preparatory schools and on Thursday 14th April for the High School from 17:00 – 19:00. It is of utmost importance that parents make every effort to attend these evenings to discuss your children’s progress with the teachers.

We are still experiencing administrative problems with regard to the debit orders for school fees. Nedbank has assured us that these problems should be solved by mid-April, so we are hoping to have the system running by the 1st May. I would like to apologise for the inconvenience to all our parents who have filled in debit order forms. I would like to appeal to all these parents to continue with payment as you have been until the debit order has been sorted out.

I would like to welcome Mrs. Collins to our school. Mrs Collins will be taking over the accounting classes from Mrs. Drake who has been forced to take leave due to ill health. I would like to wish Mrs. Drake a speedy recovery.

YOURS IN EDUCATION
