Together We Grow

DEAR NETBALL PARENT,
Netball season has arrived.

Please ensure that the correct Ashbury kit is worn to every match. Below is a list of Netball dates. If you are available, please come through and support your child and Ashbury. Remember you are allowed to cheer and support your child but at no time should you get involved with decisions made by the referee or umpire. We like to encourage good sportsmanship. If you are able to come and support the team please bring camping chairs, as there is limited seating at the venues.

Directions to the various schools can be found using Google Maps.
