Dear Parents

I would like to welcome all staff and pupils back to school after what I hope was a very pleasant and relaxing school holiday. I would also like to apologise for the inconvenience being caused by the building taking place at school. We are currently busy with phase one of the upgrades which includes a new entrance with a drop off and waiting area for the pupils as well as parking facilities for parents, new grade one classrooms, new upgraded foundation phase and pre-school toilets and an upgraded administrative block. We are hoping that these upgrades will all be completed by mid-September at the latest.
